RAHMAN MINISTRIES, INC. 501(c)3

SUMMER 2015

Dr. Faiz Rahman  
CHAIRMAN, FOUNDER

Dear Sponsors and Donors:

Happy Summer Days!

I recently returned from a two-week study tour of Israel with the *Holy Land Studies* group out of Springfield, Missouri. Lectures, digs, and an in-depth analysis of the land and times of Jesus. Just a way for me to keep my mind alert.

All of our GNI kids are very excited and anticipatory of my showing them hundreds of slides of the places where Jesus walked. And I promised that for each Dream Center, I would bring back a small rock from the Valley of Elah - where David picked up 5 smooth stones on his way to meet Goliath.. and you know the rest of the story. Each stone will be mounted on a small card with the inscription:  
**YOU CAN SLAY YOUR GIANTS!**

## May at Jharsuguda DREAM CENTER

The world's largest network of 24/7 care centers for orphaned and/or destitute children.

# Upcoming Graduation Ceremonies

Last summer Tapaswini graduates at age 18

Kandhamal Dream Center

We are having 5 major graduation events – over 310 kids are walking the line in caps and gowns to the pomp of Elgar’s March. My desire is to create a visual in the minds of the rest of the kids who are watching. We put on a “dog and pony show” like no other. Colors, decorations, pomp and circumstances, caps and gowns, banners, music, balloons – the whole works. I want them to whisper to themselves: “I want to do that, too.... I want to walk in under all that hoopla and get my diploma from daddy...” It is a way for me to keep them motivated to stay in school.

The other thing I do to motivate our kids is to promise all those who earn an A+ in our own GNI exams the chance to attend a full English-medium private school. It costs a lot, but so far we have about 25 kids who have qualified and are attending local English medium schools.

## ACHIEVEMENT

## GNI GTC

## ACCOMPLISHMENT

That is why I am pregnant... with the **GNI GTC**... the **Good News India Gifted & Talented Center**. It is a dream so big that it is downright scary. Only God can pull this off, but I have a dream. I have a sliver of land about 1 KM from our present **Joy Memorial Building** in Bhubaneswar. But the land right behind this building has come available. A choice piece of expensive property – the asking price is around \$85,000. But on it, I can build a multi-story building right next to our office and this will house the crème-de-le-crème of our GNI diamonds. The best in Arts, Academics and Sports. And these will be the movers and shakers in the years to come. I believe that this group will produce our future doctors, lawyers, politicians, professors, business people, entrepreneurs, and athletes. The budget to build it and run it will be high, but the returns for the Kingdom of God, from these acres of diamonds, cannot be measured.

# New Dream Center Dedication

In our last issue, I mentioned our new Dream Center at Deogarh, Odisha, the Walton Dream Center. Last month, this Dream Center, situated in the most beautiful and picturesque location, was dedicated to the Lord. Mountains in front, a gentle valley leading to a river at the back and wide open spaces on all sides...just gorgeous. We are the only resource in the whole county for kids at risk. The local police and child welfare people depend upon us to look after any and all kids that they find.

I am happy to report that we are beginning construction for new Dream Centers at Rayagada and Balangir, both in Odisha state. Our Dream Centers at Khemasole (W. Bengal) and Mayurbanjh (Odisha) are nearing completion.

## High Risk Ministry

(Left) Our two growing homes at Mirik and Tung, WB.

I am heading up to Guwahati in extreme North Bengal area to open a third High Risk home there to intercept girls before they are trafficked out. I believe that God has given us the right couple in that area to lead this home.

# We are so grateful...

Thank you again and again to our many sponsors who responded to our plea for help with purchasing bunk beds. And to you who send in cards and letters. Our kids cherish and preserve your letters and cards for years!! One card with a photograph will keep them giddy for months! It means that much to them. PLEASE WRITE TO THEM. If only I could show you the delight in their eyes when they get a note from their sponsors.

No one else is doing what we are doing – looking after so many kids 24/7 and guaranteeing them a College or Vo-tech degree. I can only do this as long as you stand by me.

I appreciate each of you more than words can convey.

Joyfully in Christ's Service,

Dr. Faiz Rahman  
CHAIRMAN~FOUNDER

**THANK YOU FOR BUY HALF  
OF A BUNK BED FOR  
YOUR CHILD.**

The Child Welfare Society in India is requiring us to purchase iron bunk beds for our nearly 3,000 kids. This will cost us about \$100 per child. Your help is greatly appreciated!

**School began in April... If you have not yet, could you help us  
defray our cost of \$20 per child for school supplies?**
