FALL 2017

My dear Sponsors and Donors:

Greetings in Jesus' Name from India.

GNI has good news to report on several fronts...

youth camp...

We just concluded our 4th Annual Youth Festival. At one of our Dream Centers that was built to handle around 200 kids, we jammed in 1,600. O yes, you have never seen such tight quarters, yet such joy, love, and camaraderie. Two major service times saw kids sing, praise, dance, worship and seek His presence in their lives. In between, the kids competed in competitions – singing, debate, Bible Quiz (Book of 1 Samuel), talent time culminating in our Annual GNI Olympics – track and field where the Dream Centers competed against each other. Memories...O such memories... these moments will stay with them for their whole lives...and you made it possible! Thank you! *(This is wrapping up as we go to print so only the first two days' photos are available.)*

Education...

600,000 young people across India competed for about 20,000 seats for medical college. As we reported in our last issue, one of our super diamonds – Rupri Hansda from Tihidi Dream Center – made it in! This is an incredible feat considering that her father is a menial laborer and her mother went through a major mental breakdown. Rupri never had a ghost of a chance... but God, through Good News India, put His Hand upon her herculean efforts to succeed as a medical doctor.

We just graduated 350 kids from high school, junior college and university...our 5th graduation exercises with all the pomp we could muster... to celebrate this major milestone in their lives. Presently, we have about 70 kids in technical colleges, about the same number in nursing colleges and over 500 kids in junior college and university. It is costly, but a mind is a terrible thing to waste... and this is our GNI commitment to all our kids.

LINKING RESOURCES WITH HURTING PEOPLE

What happens when my child finishes High School?

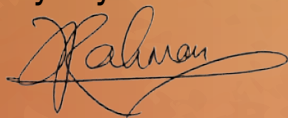

When your child finishes class 10, the end of high school in India, they go into "junior college" which requires extra school fees. Our sponsorship cost goes up to \$50 per month for class 11 and 12, so our office will write to inform you, inquiring whether or not you are able to move to that higher amount monthly. If you are unable, we will be grateful for your continued \$35 per month amount and will trust God for the remainder.

Following class 12, depending on what your child chooses or qualifies for academically as a college course (teacher, engineer, nurse, mechanic, carpenter, electrician, lawyer, social worker, etc.), the cost of their 2 to 4 years of college ranges from \$50 a month to \$100 a month. Again, IF you are able to help with that higher amount, we will be so grateful. If not, we will trust God to provide. Some of you reading this today may be able to give toward our **GNI College Fund** which will make up the difference.

Thank you for your understanding... we don't wish to lose even one faithful sponsor, so please know that you may certainly continue to sponsor your child at the same rate you have always paid. We are praying in the extra funds and will believe God for a miracle!

We love each of you and are so grateful for your investment in these precious diamonds.

Joyfully in Christ's Service.
